### PRECAUTIONS

- 1) This is a high precision Game Pak. It should not be stored in places that are very hot or cold. Never heat it or store it. Do not heat it apart.
- 2) Avoid touching the connectors. Do not get them wet or dirty. Doing so may damage the Game Pak inside the Control Deck.
- 3) Do not clean with benzene, paint thinner, alcohol or other such solvents.
- 4) Store the Game Pak in its protective sleeve when not in use.
- 5) Always check the Game Pak edge connector for foreign material before inserting the Game Pak into the Control Deck.
- 6) Nintendo recommends against using a rear projection television with your HDTV as image distortion on the screen they cause.

**Note:** In the interest of product improvement, Nintendo Entertainment System specifications and design are subject to change without notice.

### The Story

Hi. My name is Michael Jones, but my friends call me Mike. I'm fifteen years old and I live in Seattle Washington.

Have you heard of my Uncle Steve? Well, most people don't call him that, they call him Dr. Jones. He is a very famous archeologist who is looking for some lost ruins in the Coral Sea. I've never actually met him, but last week I received a letter from him inviting me to stay with him at his laboratory on C-Island.

I have tomorrow on a helicopter! I bet I won't be able to sleep at all tonight. Well, goodnight...

\*Please read the letter from Dr. John  
appended to this booklet.

Today I landed on C-Island after a long helicopter ride. The people are very friendly, and they all seem to know my uncle.

### Hi! I'm Link.

I love this village, but I haven't been able to find my uncle anywhere and no one here seems to know where he is either.

Hi Mike!

I'm Chief Concoola, a close friend of your uncle's.

Listen! Try not too be upset...  
Your uncle, Dr. Jones...  
has been... abducted!

Mike, you are the best hope of  
relocating Dr. Jones.

I'm the Shaman of Corocoro, and the Chief's sister. Many wild monsters are said to be lying in wait in the dark forest.

But remember:  
The magic of the Southern Cross is  
always on your side.

Look for the Southern Cross in the sky  
above to help you find your way.  
Good luck!

### How to Start the Game

Press any button during the Title screen to enter the Menu mode.

Menu mode

### Creating your own Name

To start a new game, you create Mike by first registering your player name.

• In the Menu mode, use the SELECT button to choose REGISTER YOUR NAME and press START to enter the Register mode.

• Use the Control Pad to choose a letter and press the A button to print.

When you finish registering your name, select END and press START to return to the Menu mode.

### ■ Starting the game

- At the Menu mode, use the SELECT button to choose your Mike and press START to begin the game.

Start game

### ■ Erasing an old Mike

- At the Menu mode, select the ELIMINATION MODE and press START.
- At the Elimination mode, select the Mike you want to erase and press START.

ELIMINATION MODE

### ■ Reviewing the previous chapter

You can replay the game from the beginning of the chapter you have experienced.

- At the Menu mode, select the REVIEW MODE and press **START**.
- At the Review mode, select the title you want to review and decide the chapter using the Control Pad. And press **START** to begin the game.

Review Mode

The Review Mode does not affect game data you have previously saved. However, anything you gain in while in the review mode will not be saved.

"True Gamers always try the review mode, just to be certain that they haven't missed any important clues."

### **■ Quitting the game**

Your game data is saved automatically, so you may turn the power off or reset any time you like, except when the following message is being displayed on your screen:

**NOW SAVING YOUR DATA...**  
**REFRAIN FROM TURNING POWER OFF**  
**OR RESETTING!**

A battery is used to retain the player's game data for five years. However, depending on the conditions under which the Game Pak is kept (such as exposure to high temperatures, etc.), the life of the battery may be shortened.

### How to Play the Game

StarTropics consists of two different phases: the Travel Stage and the Battle Stage.

#### • During the Travel Stage

(You need the ID code to work  
the submersible system.)

\*Mike can't use any weapons or items during the Travel Stage.

### INTERACT

Most islanders are friendly and know who you are.  
Try speaking to them.

Face a person then press the A button to bring up  
the person's words on the screen.  
The conversation progresses by using the A button.

Arrows indicate  
if there is more  
to be said.

When Mike enters a tunnel or cave, the Battle Stage begins.

### During The Battle Stage:

And press the B button to use the magic item.

Press START for returning to the battle.

### ■ Hearts for Mike's energy

At the bottom of the screen, hearts appear indicating Mike's energy. When Mike is attacked by an enemy, one of these hearts turns white. If all hearts turn white, it means Mike loses a life.

The life level shows the maximum capacity of Mike's energy. It will be increased, when you advance to a new chapter.

When Mike loses a total of three lives, the game is over. You must try again from the beginning of the Battle Stage.

### *• Fight enemies courageously!*

• Link starts his adventure with the basic weapon: the Island yoyo. The Island yoyo is so powerful that you can do damage to almost all of your enemies.

However some tough monsters await you. So you need the help of special weapons or magic items, which are hidden in the underground. You'll need to find these hidden items in the Battle Stages.

Your collected weapons and items are displayed with each icon, followed by a number indicating how many shots are left.

When you lose a life, you have to give up all of your special weapons and magic items, which you have collected.

You can't carry over any special weapons or magic items to the next Battle Stage.

The Bougainville Cross is one of the most beautiful of the compositions in the southern sky. Ancient Indians use the Bougainville Cross as a guide for navigating the often dangerous tropical waters.

In addition to it's use in navigation, the weird mystery tale of the strange crosses and the Bougainville Cross is used to give to those who look to it in time of stress.

### COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in strict accordance with the manufacturer's instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna.
- Relocate the NES with respect to the receiver.
- Move the NES away from the receiver.
- Plug the NES into a different outlet so that control Deck and receiver are on different circuits.

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions. The user may find the following booklet prepared by the Federal Communications Commission helpful:

*How to Identify and Resolve Radio-TV Interference Problems.*

THEORY AND PRACTICE

the first time in the history of the world, the people of the United States have been called upon to decide whether they will submit to the law of force, and let a一小部分 of their country be held at the point of a bayonet, or to the law of the Constitution, and let all the world know that they are not to be slaves.

The importance of these findings, indicating a real benefit from a low dose of aspirin, is that it is a relatively inexpensive and safe drug. In the United States, aspirin is one of the few drugs that are specifically legal drugs, and when they were first registered, they were considered safe.
